

STOMACH TROUBLE FOR FIVE YEARS

Majority of Friends Thought Mr. Hughes Would Die, But One Helped Him to Recovery.

Pomeroyton, Ky.—In interesting advices from this place, Mr. A. J. Hughes writes as follows: "I was down with stomach trouble for five (5) years, and would have sick headache so bad, at times, that I thought surely I would die. I tried different treatments, but they did not seem to do me any good.

I got so bad, I could not eat or sleep, and all my friends, except one, thought I would die. He advised me to try Thedford's Black-Draught, and quit

taking other medicines. I decided to take his advice, although I did not have any confidence in it.

I have now been taking Black-Draught for three months, and it has cured me—haven't had those awful sick headaches since I began using it.

I am so thankful for what Black-Draught has done for me."

Thedford's Black-Draught has been found a very valuable medicine for derangements of the stomach and liver. It is composed of pure, vegetable herbs, contains no dangerous ingredients, and acts gently, yet surely. It can be freely used by young and old, and should be kept in every family chest.

severely chastised and ordered to leave town. Deputy Worley arrested Frank Reynolds, a white man, who promptly gave him the names of 24 others implicated in the affair, and wholesale arrests will probably be made.

Several negroes were whipped with wet ropes and others were given orders to leave instantly. However, the trouble was soon quelled and only a few of the blacks left.

TISHOMINGO CAPITAL-DEMOCRAT

Our Townsman Honored.

At a meeting of the Presbytery at Mill Creek this week which was largely attended and where much enthusiasm was manifested, J. E. Looney, one of the elders of the Tishomingo Presbyterian church who in company with Rev. C. C. McConnell was attending the Presbytery, was elected by a large majority as a commissioner to the general assembly which meets in Rochester, New York, May 20.

In his usual splendid flow of oratory, Rev. McConnell placed in nomination the name of J. E. Looney of this city. Ardmore, Wynnewood, and other cities also had candidates for delegate at large. A poll of the delegates showed that Mr. Looney had been elected by a vote of 9 to 6 for the combined opposition and Mr. Looney was declared elected. Rev. Welch of Ardmore was also elected a delegate and will accompany Mr. Looney to Rochester. The delegates will have all expenses paid to and from Rochester, including the expenses for the ten-day session.

Mr. Looney, in being elected to this important meeting, has in our judgment received the highest gift within the confines of the district assembly. It is a reward, so to speak for his untiring and efficient church work. In other words, Jim has made good. He always makes good in whatever endeavor he undertakes and by being sent as a commissioner to this important national meeting he will assist in what we might term forming the laws in the national legislature of the Presbyterian church. It is indeed the highest honor that could be bestowed upon him for his untiring and efficient efforts in church work.

Jim, we congratulate you upon achieving this no doubt deserved distinction. May you always record your vote for the good of the great cause you represent.

DURANT WEEKLY NEWS.

Working Prisoners on Roads.

Twenty-eight men, serving time in the county jail, were taken out by the guards of the county commissioners Monday morning to work the roads, the first work to be done on the road between Colbert and Plattler, which is in pretty bad shape. The men seemed to welcome the change from the old stuffy jail and went to work with a vim. A strange coincidence is the fact that out of the twenty-eight men put to work, twenty-five of them were serving time for peddling whiskey. Some thirty more men were left behind in the jail, awaiting trial for various offenses.

Suffer's Broken Arm.

Mrs. Dr. J. C. Terrell had the misfortune to break her arm just below the elbow Sunday afternoon as she and her daughter, Mrs. Fred Lowry, were looking at some poultry on the Terrell farm four miles south of Durant. Mrs. Terrell tripped over some object on the ground and was thrown hard, falling on her arm.

Mrs. Felix McClure Dead.

Mrs. Felix McClure, died at the family home at Fourteenth and Live-Oak streets in Durant last Saturday, death being due to heart failure. Deceased was 48 years of age and is survived by her husband and two children. Funeral services were conducted at the home Monday morning followed by interment in Highland cemetery.

Demonstration Agent Here.

R. P. Elrod, demonstration agent of the Frisco railway company was here Saturday looking after the several demonstration farms that his company is operating here and expressed himself as delighted at the prospects in general and especially with the day the demonstration farmers are conducting their work.

MADILL TIMES.

Ships Carload of Hogs.

Colby Bros., the progressive Madill grocers, this week shipped a carload of hogs to the Fort Worth markets. There were one hundred head in the bunch, averaging about 160 pounds each. Of this number John Adkins of McMillan furnished forty head.

Buys Aeroplane.

Overtun Bounds, who for the past four months has been attending an

aviation school in California, left Sunday for New York to purchase a machine. Mr. Bounds has been at home for the past week on the Bounds ranch and will return to Madill on the purchase of the machine.

It would be a great help to the farmers living near Madill if we had a live commercial club with a secretary who would keep in touch with the truck markets and help the farmers market their products. A man to devote his entire time to this work would be of inestimable value to both the town and the farmers. Why not discuss this question and devise some means whereby the town may help the farmer to dispose of his surplus products? The columns of our paper are open to any discussion that will aid the community in any way.

GABE PARKER TO ADDRESS KENDALL GRADUATES

Tulsa, Okla., April 27.—The 1915 graduating class of Henry Kendall college has chosen as their commencement speaker Gabe Parker, superintendent of the Five Civilized Tribes and one of Kendall's most eminent graduates. Until recently Parker was register of the United States treasury but when the office of superintendent of the tribes was created by the last congress the interior department hit upon the Kendall graduate as the man best fitted for the place.

Parker, whose home is in Muskogee attended Kendall when the college was situated in that city. He is a Choctaw Indian. Mrs. Parker, formerly Miss Elizabeth George, is also of Indian ancestry and is also a graduate of Kendall, the courtship, which culminated in their nuptials, having taken place while both were students.

Kendall will graduate six students this year, the largest class of her history. They are Paul Handley, Pauline Layman, Venetta Jones, all of Tulsa; Lella Robertson of Hulbert, Norine Dye of Marietta and Ada Wright of Wichita, Kas.

George E. Chamberlain, who is serving his second term as United States senator from Oregon, has never been defeated for office since he started in politics 37 years ago, although he has always been in the minority party.

Alex. Millerand, greatest war minister France has had for a generation, is, like Georges Clemenceau and Aristide Briand, a reconstructed socialist. M. Millerand celebrated his 56th birthday on February 10 last.

Germs Can't Stay With This Treatment

No Impurities Can Retain A Foothold—They're Driven Out.

The action of S. S. S., the famous blood purifier, is direct from the moment it enters the stomach. Unlike food that must be acted upon by the digestive juices, S. S. S. goes at once into the blood, and in less than five minutes has traversed the entire circulation. It now rapidly spreads its medicinal action in the fine network of blood vessels and is like giving the blood a thorough bath to overcome eczema, blood risings, boils and other eruptive conditions. It can not harm any part of the system. It does not lodge in the joints as do mercury, arsenic and other minerals frequently to be found in blood remedies. It is a natural medicine for the blood, just as essential to health if germs have gotten the upper hand as is nutritious food. If after a hand as is nutritious food. If after a significant fact as to its worth and its sterling reputation. Get a bottle today. It will do you good. Write to The Swift Specific Co., 164 Swift Bldg., Atlanta, Ga. if the directions with the bottle do not fully cover your case.
